PTF Meeting & Ice Cream Social October 19th, 2010

6:30 p.m. in the Music Suite (1st Floor)

Dear Families:

We would like to take this opportunity to welcome you to another school year at First Baptist Christian School & WEE Care. It is our hope as a school board and administration to improve parent involvement and communication with our parents. We want both WEE Care and FBCS parents to feel a part of our school and church community.

We have committed to look at six areas of parent involvement including: Communication, Parenting, Student learning, Volunteering, School Decision Making where appropriate, & Collaboration with the Community and First Baptist Church.

It is our hope that as we partner in this great responsibility of educating children, that we can together improve student learning and the well-being, of children in both FBCS & WEE Care.

FBCS believes that the education of students is enhanced by the involvement of parents and families in their children's education. We advocate strong connections between the home, school, church and community as one means of increasing student achievement.

Studies demonstrate that when parents are involved in their children's education, the attitudes, behaviors, and achievement of students are positively enhanced.

With this in mind, we invite you to attend our first PTF meeting of the year on Tuesday, October 19th, 2010 in the music suite located on

the first floor of the building, behind the main chapel. Look for signs & directions on the night of the meeting. The purpose of this first meeting will be to nominate the executive committee, receive a financial update, & hear more about our parent involvement policy. In addition some representatives of our staff, school board, and church leaders will be present to introduce themselves, and interact with you. This evening will include an informal time of meeting other parents and teachers at FBCS and sharing in an ice cream social, as well as participating in the meeting agenda.

PTF meetings will be quarterly this year, and the executive committee will meet more regularly to plan events etc. Please join us for this informative meeting.

Janet Durksen, & Dr. Cross
