Updates!

We are pleased to report that the FBCS & WEE Care PTF has been very busy this year!

The year started out with the Annual PTF Fall Dinner, which was a huge success! Thanks to everyone who participated and helped with this event! Each week we coordinate with the help of all the parents, Fruity Fridays! Coach Claire, through PTF donated funds, has spruced up the pavers with a team of volunteer painters helping over Christmas break - be sure to have a jump on the new hop-scotch painting. Thanks to all those volunteers too! We are researching school hats - and hope to have these valuable sun protectors for the children later this year or before next year. We have approved a lunch fund, WEE Care Camera/Flat Screen and dance/drama material purchases. We have formed a Playground Committee that is committed to the playground renovation process. Watch for updates on this exciting project! Special thanks to Barclay's Bank for donating \$5,000 to our playground project! Other donations to the PTF for the school included the candy for Candy Grams and a water cooler and water service for the School office, from LeBleu of Cayman. The team is also busy planning upcoming events, including the Easter Egg Hunt and an International Fair. PTF is also supporting the school's efforts on the upcoming Roll-A-Thon! The Executive committee has also been working with the Administration of the School & Wee Care to develop policies and procedures for the PTF team. It's an exciting time and we look forward to giving you additional updates on everything at our next meeting! Save the date...it's Monday March 28th!
