

Tourism Case Study

For this case study you will choose one business in the Cayman Islands that is involved in the tourist industry.

Interview a person that works at that business asking the following questions –

1. What does your business provide for tourists ?
2. What facilities do you use ?
3. What are the benefits of working in the tourism industry ?
4. Is there anything you think could be improved ?

Plus two questions of your own.

Then write up your case study and include photographs, a brochure or drawings to illustrate.

Have fun as you learn more about tourism in Cayman.
