**QUOTE OF THE
WEEK**

LESSON 1: CODING

What will I be learning about?	Watch your face light up as you make your own gorgeous designs using a small number of blocks and digital stickers! This lesson builds on the understanding of loops from previous lessons and gives you a chance to be truly creative.
Vocabulary	<ul style="list-style-type: none">• Loop - The action of doing something over and over again.• Repeat - Do something again

Activity	Code.org - Complete Lesson 4
Section Code	FSJTVG
Password	Your password is two words, all lower case, separated by a space. Please send me an email if you cannot remember your password and I will send it to you.

LESSON 2: TYPING

What to focus on?	<ul style="list-style-type: none">• Remember that your goal is to progress to blind typing so focus on the correct hand position and trying not to look down at the keyboard.• Don't worry about your speed and accuracy – making mistakes will help train your brain to learn where the letters are• Have fun and remember you are a super star typer.
