

Learning Outcomes - Portrait of a Graduate

- **Christ Followers:** They see the world through a biblical lens and exemplify grace, godliness, and integrity in their daily lives.
- **Life-long learners:** They are self-motivated learners who pursue knowledge in both their personal and professional life. They are lifelong learners continually gathering knowledge and skills as resources to draw from in formulating innovative solutions.
- **Critical Thinkers:** They approach problems, issues, and challenges using reason, evidence, and logic to discover answers.
- **Serve:** They recognize all they have been given is a gift from God and for His glory alone. They are grateful in attitude and generous in action—seeking to help those who cannot help themselves.
- **Leaders:** Students who are empowered to direct their own learning, encourage others, and build confidence and discover their God-given potential
